

TEACHING YOUR DOG TO WALK POLITELY ON LEASH

PART TWO: Help! My Dog Is Pulling!

If pulling on the leash gets your dog where he wants to go, he'll keep pulling. To avoid teaching your dog that pulling is a good strategy, use one of the techniques described below.

TECHNIQUE 1: "I AM A ROCK"

When your dog pulls, stop in your tracks. Wait. As you wait, pretend you have no dog.

When your dog backs up or turns to you, click and feed a treat at your pant seam.

Then move forward again.

TECHNIQUE 2: "BACK & FORTH"

When your dog pulls, turn around and walk purposefully in the opposite direction. When your dog catches up to heel position...

Click and treat. Then turn around and continue in your original direction.

TECHNIQUE 3: "OFF AT AN ANGLE"

This is a great technique for dogs who are very strong. When your dog pulls, simply move away at a random angle that isn't 180 degrees.

Wait for your dog to catch up to heel position.

Click and treat. Then turn around and continue in your original direction again.

If your dog keeps pulling, the environment is probably too exciting. Go back to teaching your dog polite leash walking in a less exciting place. Then build up gradually to walking on leash in the exciting environment again.

Remember to go back to PART ONE every time you practice in a new place.
