

Socializing Your Dog

...refers to providing him with **POSITIVE** experiences with **NEW THINGS**.
The **best way** to make sure your dog has great experiences is to include things he loves (like food or toys)

Remember: **EXPOSURE** alone isn't socialization!

If your dog isn't having a great time, you could do more harm than good. Dogs don't just "get over" issues by themselves, so if your dog is shy, worried, or overly excited, leave the situation and work with a professional who can help both of you. If your dog is having a blast and is happy and comfortable, you're doing a great job of socializing him!
